Dan – I heard back from HQ on this Q& A. If you have any time this afternoon, I would like to talk it over for a few minutes (10 ought to do it). I bought some time so that we aren't trying to meet past deadlines.

Fact sheets **MUST** meet the following criteria:

- Limit fact sheets to **one** page in length.
- Include only **one** question per fact sheet.
- Brief, **3-bullet list** for talking points rather than lengthy paragraphs.
- Include resource information where applicable.

Chris,
We've got you covered for this exercise. We've already submitted the q&a you prepared to OW IO. So far I haven't received any edits/comments from Nancy Stoner or Mike Shapiro on your q&a. Attached is the latest draft.

All:

I apologize in advance for this very last minute and urgent request we have received from HQ. Late last week we received the directions for submitting Fact Sheets to support the Administrator during the FY 2015 budget release and appropriations hearings. The budget is scheduled to be released March 4, and hearings are scheduled March 25- April 9.

Below are the Regional topics that we plan to submit.

Topics were chosen based on Regional importance and based on congressional leadership that would be participating in the hearings. *If there is a topic that you feel should be included to this list, please let me know ASAP.*

We will need to follow the attached format for fact sheet development. Under a separate email I will send each of you the most recent briefing document we have on the above issues (if we already have one).

Fact sheets are due to the RA's office by 3:00 PM Tuesday, February 25.

Again, I apologize for this late request, and I will work with everyone to make sure this process is as efficient as possible.

Kendra
